# About Us

Alfa Façade Systems Pvt. Ltd. is an established aluminium fenestration company started from a humble beginning on 1st August 1998. Based in Pune, India, it has gathered rich & vast experience in manufacturing of aluminium architectural products such as doors, windows and facades.

At, Alfa Façade Systems we accept and fulfill any kind and quality of work in aluminium with high performance standards. With an excellent infrastructure (in-house powder coating and anodizing plant), skilled labour and dedicated experts, the Company has completed over 1000 projects.

We bring with us an exposure to modern concepts and practices, with modernized equipment for processing and production, which we believe in practicing to the benefit of our customers.

New buildings of every style change the landscape almost daily. And, in today's world, the quality of the materials that make up the buildings' façade is as critical as the vision and innovation that go into their design. Aluminum in the building industry has become the mainstay of commercial fenestration needs.

From entrances, to windows, structural and curtain wall, external façade to patent glazing, it has proved its worth beyond measure. Being a strong rigid material which can be colour coded to any architectural requirement, it is flexible in its construction to the point where its limits are only dictated by the imagination of the architect.

# Our Mission and Vision

## Mission

- To adapt to the latest trends in this industry to deliver more customer-centric products
- To update ourselves with new equipment and technology
- To provide cost-effective architectural solutions
- To achieve utmost customer satisfaction through our high-quality products

The Chiniwala Group has always believed in bringing in innovative products that will modernize the new architecture. Maintaining excellent quality has been our top-most priority and we are always ascertained on it. With a visionary leader like Mr. Zoher Chiniwala and inspiring managing director like Mr. Husseiin Chiniwala, Alfa Façade Systems Pvt. Ltd. is looking forward toward a brighter and prosperous future.

# Our Mission and Vision

## Vision

Being one of the leading manufacturers of glass and Aluminium architectural products in India, we are looking to establish our nexus all over the world. We know that the world of technology evolves every day and we are determined to be a benchmark in the industry. Our vision is to provide comprehensive solutions that will be highly regarded in the industry.

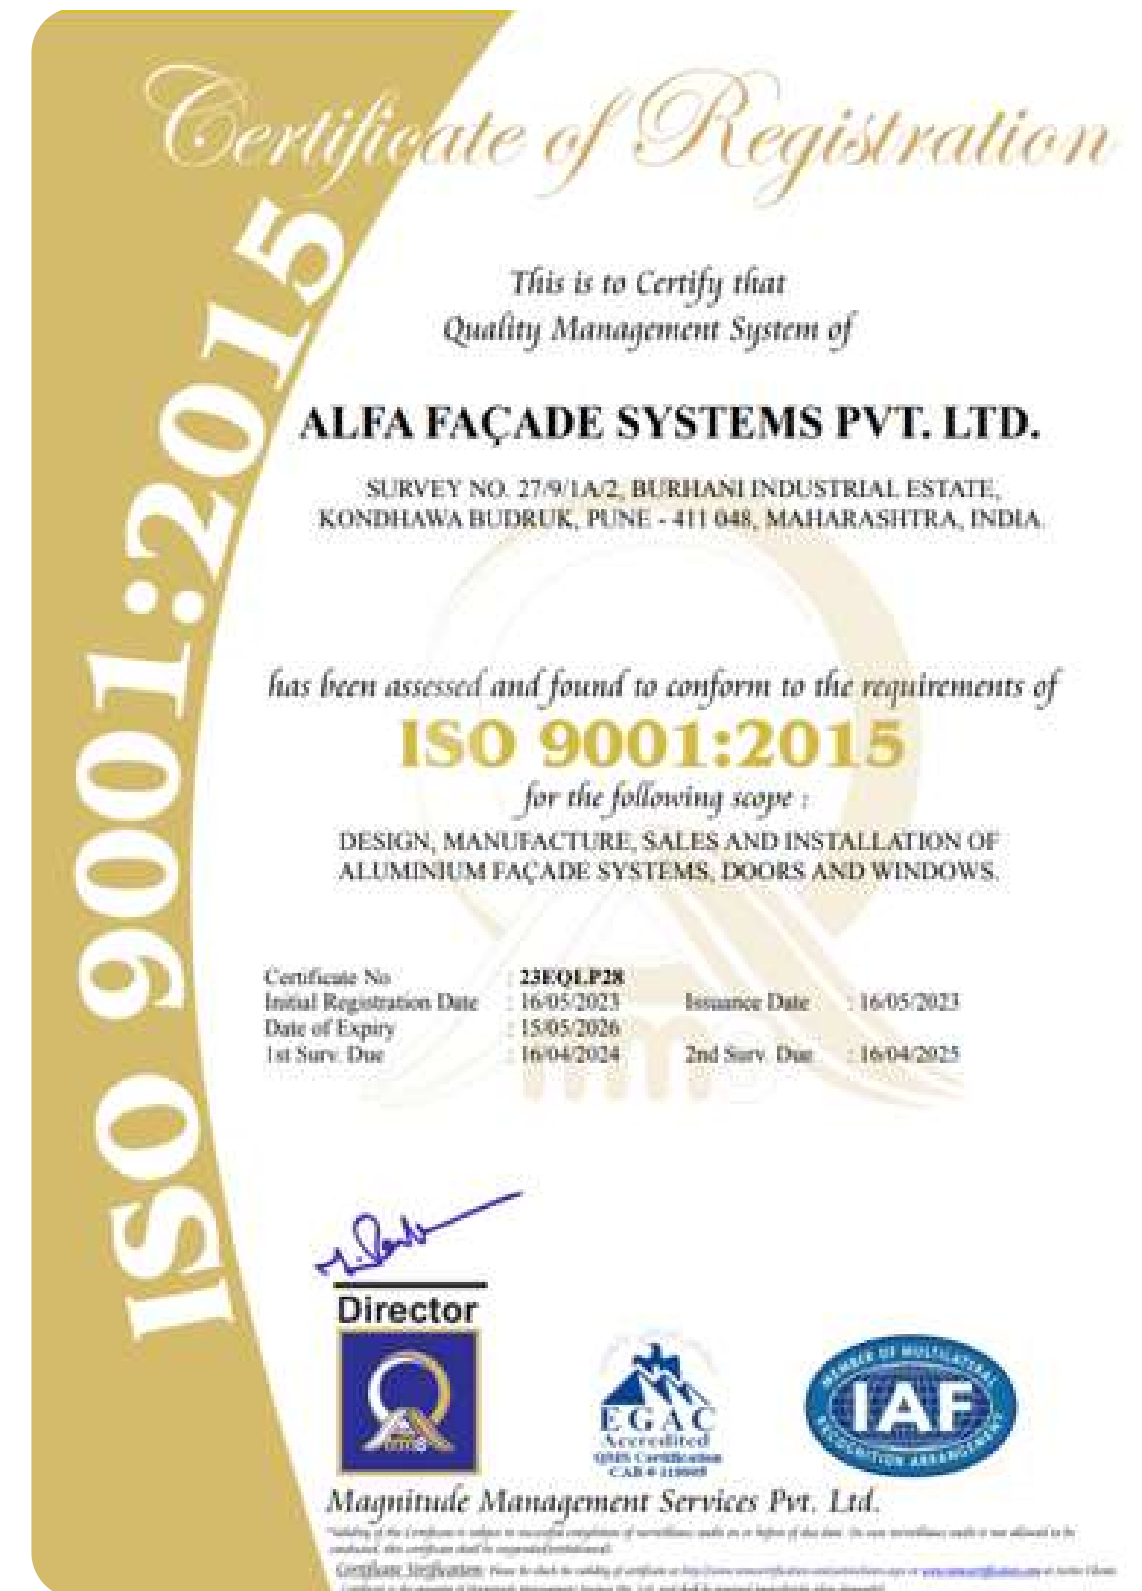

# Quality Policy

---

- By consistently executing turnkey architectural glazing and cladding projects to the highest quality of international standard within the stipulated time targets and budgeted costs, we are committed to provide **COMPLETE CUSTOMER AND SATISFACTION** all the time.
  - To achieve this, we maintain an In-House perennial quality management system to improve the quality of our services.
  - Through As similar of new technologies & strengthening our infrastructure support. We shall continuously strive to achieve state of the Art Excellence.
  - We will create an environment that encourage all our suppliers/associates and spurs every member of our organization to achieve continuous quality improvement by a proactive approach to eliminate defects.
  - Alfa Façade Systems Pvt Ltd is an ISO certified company.

India Book of Records is affiliated to Asia Book of Records and follows Asian Protocol of Records (APRs) as per the consensus arrived at the meeting of the Chief Editors of National Record Books, The Club World City, USA.

# Our Offered Services

## GLAZING SYSTEMS

- Unitized Curtain Wall
  - Semi Unitized
  - Spider Glazing
  - Suspended Glazing
- 

## CLADDING SYSTEMS

- Aluminum Cladding
  - Terracotta Cladding
  - Stone Cladding
  - Tile Cladding
  - ZINC Cladding
  - Green Wall
-

# Our Offered Services

## DOORS & WINDOWS

- System Aluminium Doors & Windows
- Aluminium Slim line Doors and Windows
- UPVC Doors and Windows by Salamander

---

## RAILING SYSTEMS

- Seamless Railing
- Aluminum & S S Balustrade Railings

---

## CANOPY & SKYLIGHT

- M S Structures for Canopy & Skylights
  - Glass & Metal Canopy
  - Sliding Roof Skylightss
-

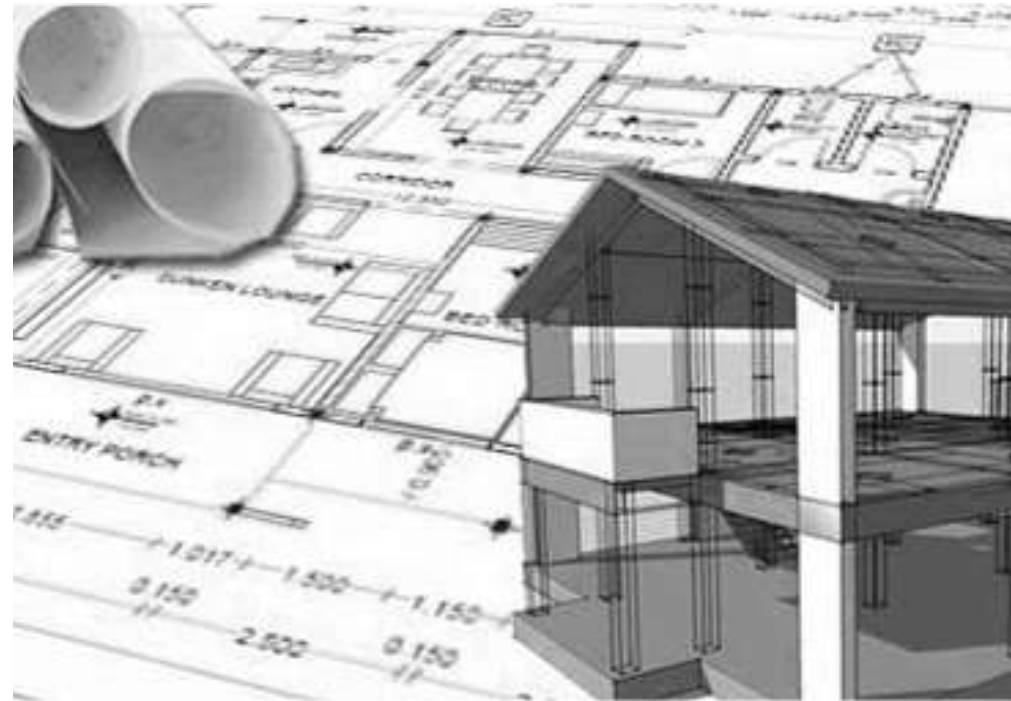

# Our Strengths

## QUALITY

We follow a QA/QC programme to regulate the highest quality in our production based on our ISO certification. Quality is achieved in compliance to specifications, consistency in workmanship, improvement in production processes, monitoring of material supplies and responsibilities to the environment.

## DESIGN

Technical knowledge for Design and Engineering provide us with a crucial advantage in competition. Designer will well equipped to use the industry's most advance cutting edge 2D and 3D modelling tool and mapping software's to create the best designs for all our projects. We are proud to say that our core focus is design.

## EXECUTION

We are known for our timely deliverables in the industry. With efficient methods of production and a streamlined workforce, executing within the set time lines is a practice in our Organization. Factory is fully equipped with in house facility of Powder Coating. Our state-of-the-art manufacturing facilities ensure the best quality production along with achieving the time lines with ease.
